COTEC®

Closing the Loop **Together**

We recycle used coating materials and return financial value to our customers, contributing to a more sustainable future.

Materials accepted for recycling

ITO | HfO_2 | Ta_2O_5 | Nb_2O_5

Other materials may be considered upon request.

How it works

1. Share your material details with us
2. Receive an estimate based on material type and purity
3. We recycle the materials
4. Get financial value in return

Contact COTEC

to discuss your recycling options.
